

Anterior meniscus root tear ?

Burt Klos
Stephan Konijnenberg
Netherlands

Anterior root tear ?

- Anterior meniscus dislocation 1984 1998
- Anterior meniscus subluxation 2003
- Hypermobile snapping medial meniscus 2008
- Detached anterior horn medial meniscus 2015
- Anterior medial root tear repair 2015/2016
- Anterior meniscus extrusion 2018

- **Anteromedial Meniscofemoral Ligament of the Anterior Horn of the Medial Meniscus: Clinical, Magnetic Resonance Imaging, and Arthroscopic Features. Arthroscopy 2018**
- Incidence : 0,5 %
- MRI negative
- Arthroscopy : Band and extrusion

[Am J Sports Med.](#) 1984 Jan-Feb;12(1):57-64.
Symptomatic dislocation of the anterior horn of the medial meniscus.
[Clancy WG](#), [Keene JS](#), [Goletz TH](#).

13 patients
The first four patients had traditional medial meniscectomies, the next four patients had repair of the anterior horn, and the last five patients had partial resection of the meniscus

[Arthroscopy.](#) 1998 Apr;14(3):246-9.
Dislocating anterior horn of the medial meniscus.
[Pinar H¹](#), [Akseki D](#), [Bozkurt M](#), [Karaoglan O](#).

- Dislocating anterior horn of the medial meniscus is a normal anatomic variant with little or no clinical significance

[J Radiol.](#) 2008 Jan;89:53-6.
[Hypermobile snapping medial meniscus: features on flexion-extension MRI].
[Poey C¹](#), [Couette P](#), [Savorit L](#), [Guy F](#), [Raynaud M](#), [Dutheil A](#).

- The anterior horn of the medial meniscus was anteriorly subluxed during extension with reduction during flexion.

Anterior medial root meniscus repair

- Menge ,La Prade
- Anterior meniscus root repair , Arthroscopy Techniques 2016
- Double tunnel pull out , cortical fixation device

- Osti , Maffuli , Translational medicine 2015
- Anterior meniscus root tear all inside repair
- Shoulder suture screw anchor . N = 12
